Staff Council

Staff Council recently held its 2017-2018 elections for new Staff Council members. We are excited to announce the 9 newly elected representatives. They are: Leslee Schauer, Elizabeth Palacios, Heather Barr, Randy Lara, Luisa Buttler, Deanne Hubenak, Hayford Osei, Elizabeth Perez, and Maria Pedigo. Congratulations and welcome to Staff Council. It is going to be a wonderful year!

We would also like to thank the outgoing Staff Council members for their hard work and dedication. You will be missed!

Waves of Welcome

There will be fun events for students ranging from a glow party dance and President's Island Bash to movie night and a student organizations fair. Welcome tables are spread across campus to greet students during the first few days of classes. If you are interested in volunteering at a welcome table, please email Heather.Selim@tamucc.edu. Welcome tables will be set up on Monday, August 28 - Thursday, August 31 in various locations. Click here for more info about Waves of Welcome.

Employee Betterment Program

Beginning Summer I 2017, and until further notice, the Employee Betterment Program (EBP) will cover 100 percent of tuition at Texas A&M University-Corpus Christi. This program is available to employees who have been in a budgeted regular status for three months prior to the start of classes. The EBP will cover 50 percent of the Distance Education Fee but employees are responsible for other applicable course fees like lab fees, field trip fees, etc. Coursework must be directly related to the employee's job or required for the completion of a degree. Click here for more information.

Payroll Changes

Beginning September 1, non-exempt employees who are paid on a monthly basis will transition to the biweekly payroll to be paid every two weeks. This change will not alter the annual salary or hourly rate a non-exempt employee is paid. For more information, click here, call ext. 5792, or email payroll@tamucc.edu.

Dorothy Yeater Scholarship

Applications are now being accepted through August 1 for Fall scholarships. For more information and to download an application, click here. Email applications and questions to Staff.Council@tamucc.edu.
Workday
Texas A&M University System is replacing its legacy mainframe payroll and human resource systems with Workday. The Payroll and HR teams are working with the implementation team to bring to campus a new experience that is modern, focused on users and streamlined. The configuration phase has been completed and testing is in the final stages. The deployment phase will kick off this summer and training for managers and processors will start in the fall. The Workday Help website is now available to all employees through SSO. Login and explore the changes that will take place in December 2017.
