III. President’s Report – Ben Soto.
• Staff Council Introduction to New Employees on Campus
• Dr. Michelle Singh, Associate Vice President, Teaching & Learning Technologies, in the Department of Distance Education gave a presentation on the University’s SACS-COC required Quality Enhancement Program (QEP) I KNOW Digital Information Literacy Campaign. She gave the four points of the plan to prepare the students to Find, Evaluate, Create, and Communicate knowledge using digital technologies. There will be a Kickoff Block Party on February 2 from 11:00 a.m. to 2:00 p.m. in the Anchor Ballroom. She encouraged everyone to wear their I Know T-shirts every Friday in February.
• Constituents/I-Engage – Need to ensure we, and all constituents, sign up for I-Engage. This portal is where all nominations, elections, announcements, etc. will be sent through. Ask that all council members contact their constituents to sign up. Noelle brought up the idea to have HR give the new employees information on signing up for I-Engage. We will move our webpage over to this portal.
• Constitution – Chair will report. Hope to have new Constitution and Bylaws up for a vote by March or April.
• Elections – Chair will report.
• Employee Excellence Awards – Chair will report.
• Ink Cartridges – There is a Draft Memo of Understanding with SSC to empty bin cartridges and deliver to a designated location, currently in the library.
• Treasurer – We have no treasurer; however, there is not a quorum to be able to vote for a treasurer. We will wait until the February Staff Council Meeting.

IV. Vice-President’s Report – Frank Harrison
• Faculty Senate –
  o Parking - Joint venture with Dr. Miguel Moreno, Ben and Frank regarding the lack of communication and transparency of the new ParkMobile initiative. Will meet with Parking and Traffic Committee to discuss the rollout of ParkMobile. Any issues or comments please send to Frank, Ben, or Dr. Moreno.
  o Committees - Conversation started regarding committees on campus. Many committees no longer meeting, and the list of those committees has not been updated. We will move forward to work with Faculty Senate to get clarification and review committees. Tabled for now.
  o Graduate Assistants – Policy does not cover those GAs that are auxiliaries and self-funded. Self-funded GAs are overlooked by Graduate Studies. Feel that Staff Council needs to be the voice for those students. Discussion ensued regarding issues such as a limited number of tuition vouchers, etc.
